OBJECTIVE

Aspiring Software Developer with a strong foundation in Java, SQL and full-stack web development. Passionate about building scalable applications and solving real- world challenges through technology. Seeking an opportunity to leverage my technical skills, project experience and continuous learning mindset to contribute effectively to a dynamic development team.

SKILLS

- **Programming Languages: Core Java(OOPs, Exception handling).**
- **Front End: HTML5, CSS3 and JavaScript(basics).**
- **Database: SQL (Oracle 11g).**
- **Manual Testing: SDLC.**
- **Tools : Vs Code, Eclipse and Latex.**

EDUCATION

- Shri Shivaji Institute of Engineering and Management Studies (Computer Science and Engineering) — *CGPA: 6.4|2026*
- XII | Dr.zakir hussian college of arts,commerce and science. — *72.33| 2022*
- X | Dr.zakir hussian college high school. — *74.20| 2020*

ACADEMIC PROJECTS

- **CueConnect(Snooker Game Center and Management System) Link**
  - Developed booking management, calendar scheduling and real-time session tracking features. Implemented authorization,protected,routes, and multi-role access control.
  - Integrated Razorpay payment gateway for subscription plans and online payments.
  - Created dashboards for revenue analytics, business insights, staff management and inventory monitoring.
  - **Technologies**: React.js, Vite, Tailwind CSS, Supabase, Supabase Auth, Razorpay and Vercel.
- **Student Result Portal Link**
  - Developed a web-based Result Portal that enables students to securely access and view academic results through a user-friendly interface.
  - Built search and filtering functionality to quickly retrieve student results and academic information.
  - **Technologies**: HTML ,CSS,JSON Local and Versal.

- **IRCTC Database Management System (Documentation) | Oracle SQL**
  - Designed and Applied a railway reservation database system inspired by the IRCTC platform using Oracle Database 11g.
  - Established a normalized relational database consisting of six inter connected tables like Users, Stations, Trains, Bookings, Tickets and Payments.
  - Crafted and managed Oracle database users,roles and privileges using SQL*Plus and Oracle 11g administration commands.

ACHIEVEMENTS

- Social media lead at DDSC (Dcode developer student club).
- Successfully completed and participated Excelarate program.
- Secured 93/100 in mathematics in academic examination.
